OCTOBER 2026

This fall's worship theme is:
"What's the Good News?"

So let's explore:

- What's the good news in our church?
- & What's the good news of the Gospel?

What's the good news in our church?

We have lots of good news to share from summer ministries. Including our youth missions' trip to Denver, Colorado. In June, we took 53 of our Sr. High youth to Denver, Colorado where we learned about homelessness, outreach, and the presence of God even in our struggles.

This summer we also hosted Vacation Bible School with over 75 students in attendance with the help of local youth volunteers as worship leaders. We had a wonderful time!

Throughout the summer we continued with our regular ministries as well as free pizza Mondays that continued to grow in participants and volunteers. We gave away more than 80 pizzas this summer and we doubled the amount of "backpack" bags that were given out.

So that's the news from the summer. What's the news in our church right now?

Right now, we are getting into the swing of fall programming with the start of Sunday school, confirmation, youth group, and after school "Faith and Fun".

Some upcoming news in our church is a new bible study. "That's Interesting" is the name of the Bible study series that will consist of various points of interest. Topics like hunting (Oct. 4 at 6pm at Pastor Joe & Amanda's house, 15840 HALF ST SE), exercise class, art & painting, as well as food. These topics will be discussed and explored as we look at our faith and the ways they intertwine.

We have a lot of "Good News" in this church. Good things that are happening to strengthen our faith and good things that are allowing us to help build the faith of others! And I have more good news!

The good news comes from the gospel. The good news that Jesus died on the cross for us. That Jesus took our sins and made us new. The good news that the work has been done and the gift of grace has been given to all. That is GOOD NEWS indeed!

What's the good news? Come to church. Let's find out together!!!

ALL TOGETHER IN ONE PLACE

June 1, 2026

Yehiel Curry, presiding bishop of the ELCA, has issued his first entry in a new series of monthly messages. Each message will share a pastoral word, rooted in Scripture, that witnesses to God's presence today, our rich theological tradition and the social teaching that connects us.

"When the day of Pentecost had come, they were all together in one place" (Acts 2:1).

Every day, I receive emails and messages from members across this church. Many of you share concerns about the state of the world and how faith informs your response to troubling or perplexing events. Sometimes you ask me to speak out more often regarding current affairs, and sometimes you ask me not to speak so much. I cannot answer every message, yet I am learning from you and feel the heartbeat of this church through the concerns, fears and hopes you share with me.

To continue our conversation and respond to what I am hearing from you, I will issue a monthly message through the end of this year in a series called "All Together in One Place." Each message will share a pastoral word that witnesses to God's presence today, rooted in Scripture, our rich theological tradition and the social teaching that connects us for life together.

At the first Pentecost, the disciples were guided by the prophet Joel's assurance that, even in troubling and perplexing times, God is faithfully present.

Our baptismal vocation together is to serve God and neighbor in daily life, fostering "a faith that is active in love, a love that seeks justice, and an insight that strives to discern what is right, good, and fitting" (ELCA social statement *The Church in Society: A Lutheran Perspective*, 1991, p. 6). Baptism invites us to love our neighbor, to steward creation, to advocate justice and mercy in situations of brokenness, and to seek peace.

As much as we strive to be "all together in one place," we may not agree on how to do this. The letters I receive testify that we span a beautiful and God-given diversity that invites Lutherans into deep listening, moral deliberation and a certain humility as we seek the common good.

In our differences, we can still be together in one place, when that place is connection in the unity that only Christ gives us (1 Corinthians 12:12-27). We stand in one place when we embrace the dignity of every human being by engaging others with curiosity and respect. We stand in one place when we shake off the immobility of fear to nurture connection in diversity. Our witness to the world embodies 2 Timothy 1:7: "God did not give us a spirit of cowardice but rather a spirit of power and of love and of self-discipline."

Just as those early followers of Jesus Christ experienced the power of the Holy Spirit, may we also trust when the Holy Spirit comes blowing into our lives to connect the body of Christ.

In peace,

The Rev. Yehiel Curry
Presiding Bishop
Evangelical Lutheran Church in America

From the Presiding
Bishop Curry

September 25-27 the 7-10th gr. youth from Our Savior's had an awesome experience at the EaND Synod Youth Retreat at Castaway Club, Detroit Lakes, MN. They sang songs, heard wonderful speakers, played a lot of games, and grew in their faith. What a great time!!

This year's theme was **Imagine More** — inspired by the 2027 ELCA Youth Gathering theme. At the heart of this theme was the invitation to trust that God is always at work beyond what we can see, understand, or expect.

Imagine More calls us to expand our vision: to imagine a faith that expands beyond Sunday, a love that reaches beyond our comfort zones, a justice that transforms communities, and a God whose possibilities are greater than our limitations.

Throughout the weekend, they invited young people to wonder:

- What does it mean to imagine more for my own faith journey?
- Where is God calling me beyond what feels safe or familiar?
- How can the church imagine more for our neighbors, our communities, and the world?

Rooted in the promise that God is always creating, renewing, and calling us forward, this retreat helped youth explore how imagination is not just creativity — it's discipleship. It's the courage to believe God can do something new in us and through us.

As I have previously mentioned, Doctors Without Borders is one of a few charitable groups still operating in the Central African Republic. This is due to lack of Government safety provision and violence, especially in rural villages. Doctors Without Borders provides services to both the victims and the violent groups. They do not discriminate and just provide medical care to whoever needs it.

Remember the people in your prayers and think about how difficult it is to live like this, with no hope for significant change in your lifetime. Remember to contribute to our Global Missions dedicated account.

In His Service,

*Sylvia Hansen

SAVING LIVES WHEN MALNUTRITION BECOMES A MEDICAL EMERGENCY

Just 3% of the 20 million children suffering from severe acute malnutrition receive the lifesaving treatment they need. In the midst of crisis situations, Doctors Without Borders (DWB) medical teams do whatever it takes to break malnutrition's grip and save children's lives.

Diet has a profound impact on physical and mental development for children under the age of two. Children with malnutrition under the age of five have severely weakened immune systems and their chance of dying from even a minor disease increases dramatically.

Left untreated, malnutrition can quickly plunge patients into a vicious cycle of suffering and disease - a trap that's incredibly hard to escape during crisis situations. It's at these times that Doctors Without Borders teams are needed more than ever. And thanks to donor support, we have the tools to respond immediately and save lives.

Ready-to-use therapeutic food (RUTF) - which provides all the proteins, essential fats, vitamins, and minerals kids need - has enabled Doctors Without Borders to treat children with malnutrition on an outpatient basis. Our teams assess children for potential malnutrition by comparing their weight-for-height ratio to international WHO standards, and by measuring a child's mid-upper-arm circumference (MUAC) using color-coded paper bracelets. MUAC measurements can also be used by community health workers. RUTF is the most effective way to treat malnutrition.

"Once a child has become malnourished, their immune system is weakened and they can't fight off infectious diseases as they would normally. So it's not just about providing food...They need to be stabilized, they need antibiotics, they need fluids. On top of all this, they need vitamins, specially formulated therapeutic milk or food, and vaccinations to protect them against further infection. All of this is what MSF (Médecins Sans Frontières USA, Inc.) is able to provide." Jenna Broome, Emergency Medicine Consultant and DWB Doctor

Today, only children with the most severe malnutrition - those who are diagnosed with other diseases or complications - are hospitalized and given round-the-clock intensive medical care.

In 2024, Doctors Without Borders treated 584,700 children for malnutrition and admitted 209,000 critically malnourished children to inpatient feeding programs.

Being able to respond swiftly during moments of crisis with the specific treatment malnutrition demands can mean the difference between life and death for tens of thousands of children.

"We sent mobile clinics out to reach people hiding in the bush where terrible conditions and lack of food made malnutrition a huge problem. Even though we were a small team, we saved a lot of children's lives that way." Dr. Yolaine Civil, DWB, Pediatrician in CAR

Malnutrition is the single greatest threat to the world's public health, with a particularly devastating effect on young children. Nearly half of the deaths in children under five are related to malnutrition. When conflicts erupt, natural disasters strike, or medical emergencies arise, young children are especially susceptible to becoming malnourished because they are cut off from the food and medical care necessary for healthy growth.

OPERATION CHRISTMAS CHILD SHOEBOXES

We will be collecting filled shoeboxes for Samaritan's Purse: Operation Christmas Child again this year. Now is a great time to be looking for school supplies items! **National Collection Week is Nov. 16-23, 2026**, so we will need filled shoeboxes returned to Our Savior's Church by Nov. 11th.

For children around the world, a shoebox is often their very first gift. Given together with the Good News of Jesus Christ, it communicates God's love to a boy or girl in need. So, it is important to make sure your gift is ...

FUN—includes a "wow" item and other quality toys

FULL—packed to the brim with additional school supplies and personal care items

PERSONALIZED—prayed over and contains a note and photo, which are often the child's favorite items!

How to pack a shoebox:

1. **FIND A SHOEBOX:** Use an empty shoebox (standard size, please) or a plastic container. Pre-made boxes will be available at Our Savior's Church.
2. **GET YOUR LABEL:** Determine whether your gift will be for a boy or a girl, and the child's age category: 2-4, 5-9, or 10-14. Mark the correct age category on the appropriate boy/girl label and affix the label to the top of your box. Labels can be found at the church or online at www.samaritanspurse.org
3. **FILL WITH GIFTS:** Select a quality "Wow" toy such as a soccer ball with pump or stuffed animal, then fill the box full with other fun toys, personal care items, and school supplies, may include a personal note/picture. (As an optional resource, Operation Christmas Child now also has an Amazon storefront with additional lists of quality items that are recommended for shoeboxes.)
4. **PRAY**
5. **Donate \$10 per shoebox**
6. **DROP OFF:** Bring the filled shoebox to Our Savior's Church **by Nov. 11, 2026.**

SUGGESTED GIFTS:

"WOW" ITEM AND TOYS: Soccer ball with pump, Dolls and stuffed animals, small backpack or purse, Jewelry making or hobby kit, puzzles, musical instruments, stickers, small ball, LEGO or building blocks sets, plastic animals, finger puppets, chalkboard & chalk, coloring books or pads

SCHOOL SUPPLIES: pens, pencils, sharpeners, erasers, pencil container, crayons, markers, colored pencils, notebooks, calculator, scissors, glue stick, index cards, ruler

PERSONAL CARE ITEMS: toothbrush, washcloth, comb and brush, nail clipper and file, water bottle, flashlight

CLOTHING & ACCESSORIES: flip-flops or shoes, sunglasses, hat, wristwatch, costume jewelry, hair accessories, clothing, winter cap, scarf, mittens

Do NOT include the following:

SOAP (no longer allowed)
Food, Candy, Gum
Toothpaste
Used or damaged items
Scary or War-related items, camouflage
Chocolate; seeds; fruit rolls or other fruit snacks; drink mixes (powdered or liquid)
Liquids or Lotions
